Split Local Highlights Option:

Guests will enjoy a pre-arranged sightseeing itinerary with a Private Car and Guide to explore the following destination highlights.

Meet your guide at the Split Harbor for a sightseeing tour of Trogir and Split with a visit to the Mestrovic Gallery.

Your first stop will be Trogir. Walk through the narrow streets, going back in history as you pass stone houses, churches, palaces, monasteries, and the city walls. You will see the St. Lawrence Cathedral and its Romanesque portal, created by local artist Radovan in the 13th Century.

Next, you will head to Split where you will enjoy an included traditional snack – Dalmatian plate. Diocletian's Palace in Split - included on UNESCO's World Heritage List - is a unique monument. Where else can you find a retirement home/palace of a Roman emperor? After the fall of the Roman Empire, life went on in Split and different nations conquered this area but the Roman architecture survived, along with all the architectural additions of the centuries that followed.

Finally, you will visit the Mestrovic gallery. The Mestrovic Gallery's holdings contain 192 sculptures, 583 drawings, 4 paintings, 291 architectural plans (almost entirely made by Ivan Mestrovic and dating between 1898 and 1961), and 2 furniture sets, one of which is made according to Mestrovic's sketches and is a part of the new permanent display in the former dining room. The Ivan Mestrovic Gallery also houses 168 works of art owned by Ivan Mestrovic's heirs.

Please Note: Have a hearty breakfast as lunch is not included and the first snack is later in the day.
