Half Day Sightseeing Tour

Explore the highlights of magnificent Buenos Aires. Your excursion kicks off in one of the city's most significant spots: Plaza de Mayo square, the political heart of the city laid out by Don Juan de Garay in 1580 during the second founding of Buenos Aires.

Continue to San Telmo neighborhood, with its cobblestoned streets, where the original porteños (Buenos Aires residents) settled in the early days. After a short drive south, stop off at picturesque La Boca, the colorful working-class port neighborhood, and walk along Caminito Street, where local artists display their artwork to the tune of tango performed on the street.

Pass through Puerto Madero and see this regenerated area where redbrick warehouses have been transformed into trendy restaurants and bars before finishing the tour in Recoleta and its renowned cemetery to glimpse stunning mausoleums, the final resting place for many of Argentina's key.
