Belfast Local Highlights Option:

Guests will enjoy a pre-arranged sightseeing itinerary with a Private Car and Guide to explore the following destination highlights.

Meet your driver guide at Belfast Port and enjoy a panoramic tour of Belfast City before arriving at the Titanic Museum. Upon arrival at the museum, enjoy a self-guided tour. Afterwards, return to your ship.

About Belfast: There are just under half a million people living in Belfast today, and one of the city's principal landmarks can be seen upon arrival – the two Harland & Wolfe Cranes nicknamed Samson and Goliath. It was here that many great ships were built including, perhaps, the most famous ship of all – RMS Titanic. At its peak in the early 20th Century, Harland & Wolfe boasted a workforce of 35,000 and reflected the industrial nature of Ulster. Coupled with religious differences; when Ireland sought independence from Britain in 1922, the six counties of Ulster “opted out” and to this day remain within the UK. The partition of Ireland was challenged by violent means from the late 1960's onwards, and a peace process followed the ‘ceasefire’ in 1994.

Today Belfast is a thriving city which has left the ‘troubles’ in the past. Enjoy a panoramic tour of the city where your guide can highlight all the developments since the ceasefire.

About Titanic Belfast: The Titanic Museum is an iconic landmark building; located at Titanic's original construction site. Opened in 2012 to mark the centenary of the ship's sinking, it is the world's largest Titanic visitor experience and the most popular visitor attraction in Belfast. It is a self-guided multimedia visitor experience charting the history of the city, and of course the world's most famous ocean liner through a range of interactive exhibits. The Titanic Museum also explores the political history of the city and the role it played in shipbuilding. We recommend between one and two hours for your visit here.
