Agadir Local Highlights Option:

Guests will enjoy a pre-arranged sightseeing itinerary with a Private Car and Guide to explore the following destination highlights.

Agadir Paradise Valley

We depart the pier on our scenic journey to known as the Paradise Valley drive. We drive by road through the neighborhood of Iligh, located in the district of Tazeroualt. We travel to the palm groves and gorges of the river Tamrhakht up into the mountains towards Imouzzer. The varying landscape, which is ever changing, highlights local traditional houses set amongst the Argan Trees and back dropped against the Atlas Mountains. We will enjoy a photo stop and a panoramic view of the village of Al Ma.

Continuing on our scenic journey through the countryside and within the impressive gorges of paradise valley. We will also enjoy an easy to moderate walk down into the valley hosted by our informative guide, who gives explanations on the local flora and fauna and the interesting natural history including an enjoyable stop at the botanical garden, to view the plethora of plants, used for artisanal extraction of essential oils.

The Argan tree is indigenous to the arid southwest region of Morocco. This thorny tree has a deep root system that is well adapted to the semi-desert environment. Characterized by its toughness, an Argan tree can reach the age of 200. The rare oil produced from the Argan tree, in its purest form, is well-known across the globe for its exceptional quality, and accordingly, its expensive price.

We continue past interesting local towns before returning to the pier.
