Barcelona Local Highlights Option: Provided by Project Expedition

Guests will enjoy a pre-arranged sightseeing itinerary with a Private Car and Guide to explore the following destination highlights.

Enjoy a drive through fascinating Barcelona. Your guide will point out many highlights, beginning with the 13th Century cathedral located in the Gothic Quarter, where you'll step inside to admire the interior.

You will drive along the Passeig de Gracia. This street showcases many of the city's Modernist buildings -- some designed by architect Antoni Gaudí. Pass Gaudí's Sagrada Familia Church for an outside view; then, continue to the Plaza España and Montjuïc. The latter is the site of the 1992 Olympic Games.

Please Note: Guides are not allowed to provide commentary inside the cathedral on Sundays and holidays; an introduction will be given outside, and you will view the inside on your own.

Tour can be scheduled to start at either 8:00am or 12:30pm.
